M25 Anti-Clockwise

If coming anti-clockwise round the M25, be in the far left hand lane as you come through the QEII bridge, and take the far left toll booth. Turn onto the A206 and follow signs to Erith, Travelling along University Way, then Thames Road and Finally Northend Road. Midway along Northend Road, SLOW DOWN, there will be a side turning on the left signposted Northumberland Heath. This is just past a bus-stop and before the car wash garage.
